

R E M A R K S

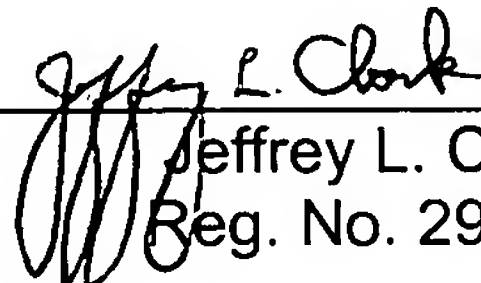

By this Preliminary Amendment, multiple dependencies have been removed from the claims to place the application in proper U.S. form. Device claims have also been amended to remove any possible interpretation whereby the claims would be seen as a mix of apparatus and method.

Applicant has also added claims to particular features of the disclosed invention.

Applicant believes the application is now in condition for allowance. Early notification to that effect is respectfully requested.

Respectfully submitted,

WOOD, PHILLIPS, KATZ,
CLARK & MORTIMER
